## **HEALTH & SAFETY**

Tobacco products Please notice that since 2006 May 31st , it's forbidden to smoke in all public areas, including bars, restaurant and all cultural establishments. Here is a quick resume of Quebec's provincial law. Article 2 It is forbidden to smoke in cultural establishments. ( Including Eglise des Arts, main hall or dressing rooms.) Article 42 Anyone that does not respect article 2 will be given a find reaching from \$50 to \$300 for a first offense and from \$100 to \$600 for a second offense. (Security personnel of the building as got the power to give these finds) Article 43 The venue's administration can be fined from \$400 to \$4000 for a first offense and 1000\$ to 10 000\$ for a second offense if they are found guilty of not making sure the law was respected. Article 57.1 Stipulates that any person, administration and by extension the promoter could be called before a judge if it is proven that anyone has intentionally permitted someone to bypass article 2 in any way. Penalties could go up to seizure of all the revenues received from an activity during which the offense was perpetuated. For all parties. Safety equipment's As per provincial law: It is mandatory that everybody onstage (any person working or supervising work), during a load in or a Load out, must wear protection shoes with steel toe. Effects of flames, fire and pyrotechnical effects The producer of an event that wishes to hire a manipulator of fire (spitting or juggling of fire) must first obtain a written permission from Eglise des Arts' management and a permit from the fire department of the city of Trois Rivieres. Effects coming from fire are not defined as explosives, under the law. Full details on the type of the effect, a sequence plan and a stage plot will be required. A trial test will also be required before the show. In addition, the effects manipulator must have the right level of certification required under the federal law. In the absence of a permit and a valid certification from the fire department, management shall

prevent the performance from taking place. A fee may be charged for: cleaning and resetting the venue; and any damages caused by the performance. Ignition source it is forbidden to produce open flames sparks or heat by means of a device. Candles and paraffin lamps are subject to approval with the Landlord. They should be mounted on non-combustible support and be placed in a container exceeding at least 3.8 cm (1.5 in.) the height of the flame.

### **Fireproofing**

The Tenant must fireproof all scenic elements used in the leased premises to ensure that all materials pass the flame of a match exposure test, according to the norm NFPA 701, Fire Tests for Flame-Resistant Textiles and Films. Management reserves the right to perform this test at all times to ensure the effectiveness of the fireproofing. Rigging The Landlord must approve all types of clashes: Artistic, acrobatic and equipment. In some cases a plan approved by an engineer will be required. Scene access and safety For security reasons, access to the scene is only possible in the presence of one or more member of the
